Rules and Awards

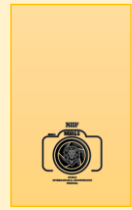

Festival Rules

1	Photos with any production time can participate in the festival (the production time must be before the closing of the festival);
2	Photos that respect the goals of the festival;
3	NORGS Festival selects and invites the photos that are presented in the official selection;
4	After selecting the photo, it cannot be removed from the festival program during the festival;
5	All photos must have a Farsi or English name;
6	There is no limit to the number of submitted works and any photographer can send any number of works to the festival secretariat;
7	Photos selected as Official Selection agree to use the NORGS Festival Official Selection logo in all their advertising. In addition, award winners and photo distribution companies agree to use the exact text of the awards as described in the festival guidelines and the winners' logo. Also, the festival can use the photo and other accessories in different parts of the festival, including the closing ceremony, advertisements, etc.;
8	In the photo section, photographers from all over the world can participate;
9	Participants must upload all required documents and images to the FilmFreeway, Festhome or WFCN website, including photo, if any poster and photo of the photographer;
10	Each participant must provide a real and accessible email. Otherwise, it will stay away from the festival information and the festival will not accept any responsibility in this regard;
11	The photo section has a free subject;
12	The official selection of photo is 10;
13	Participating in the NORGS Festival means accepting all the rules and regulations of the festival and respecting the pre-selection conditions. Failure to comply with any of the mentioned items will cause the removal of the film in the first stage;
14	If your photo is selected: You will be contacted by email.
